Cafés, Outlets & Catering

To keep our Navy personnel healthy and their tummies satisfied, we have cafés, food vans & coffee carts all around Australia on many Naval bases. But did you know we also offer a great range of catering options too? Feel free to chat with your local venue manager to find out how they can assist with your next function or email The Navy's Anchorage for more information.

We also know how much you love your coffee and that's why our baristas are professionally trained and our beans are ethically sourced, and supplied by super delicious Grinders coffee! We also have all of your favourite milks ready to pour!

Navy Lifestyle

The wellbeing of our Navy Personnel - and their families - is a large focus for The Navy's Anchorage.
